Dear Poppa,

Congratulations on your long-standing community service by giving back to the Town of Harrison for your 50 years of committed service, devotion, dedication, and professionalism that was always performed with utmost respect and integrity. Always racing out, to lay it all on the line protecting the sanctity of life. Mama tells us stories how she would hear you racing out to a fire when she was a little, even at 2 a.m.

You will always be "our Chief!"

We are very proud of you and love you even more.

Love you forever,

Your loving grandchildren and treasures ... Hunter Anya,
